## Partners

# PANELS

A 3D rendering of several overlapping panels. The panels are arranged in a layered fashion, creating a sense of depth. The materials include a dark wood-grain panel on the left, a light wood-grain panel at the bottom, a white panel on the right, and a solid blue panel at the top. The word 'PANELS' is written in large, white, sans-serif capital letters across the center of the image, partially overlapping the wood and white panels.

## Panels

Kastamonu Entegre is the world's fifth-largest company in its industry with production facilities in six countries and a multinational, multicultural, multilingual, and multifaith staff of 7,000 people. Kastamonu Entegre continue to touch the lives of millions of people around the world.

# 3D WALL

## 3D WALL

3d wall®

3d wall panels are produced from light and hard reinforced polymer material.

There is acrylic paint on the product surface. Its protrusion from the wall varies between 3-7 cm. Unlike 3D wallpapers or 3D ceramics, it is a truly 3D wall panel.

3d wall panels are suitable for indoor use and are guaranteed for 5 years of colorfastness. Our 3-dimensional wall panels, which are produced for outdoor use, are offered for sale with a 3-year colorfastness guarantee.

### INNOVATE PANEL CONCEPT FOR TODAY'S ARCHITECTURE

- Easiness of installation
- Practicability of packing system
- Unique concept design
- Modern elegant and attractive appearance support
- Product usage in contemporary architecture
